

# ORGANIZATIONAL MEMBERSHIP

## Benefits

Membership with ACCE is more than just tools and resources – it's a competitive advantage. Members have access to a robust package of benefits to improve your operations, membership, communications, revenue generation, events and more. Whether you're a small chamber looking to improve your inner workings or the engine of a large metropolitan area, joining ACCE will accelerate your mission.

Visit [ACCE.org/membership](https://www.acce.org/membership)

### PROFESSIONAL DEVELOPMENT OPPORTUNITIES

ACCE provides year-round access to industry experts through our in-person, virtual and on-demand professional development programming, including ACCE's Annual Convention, Membership and Revenue Development Conference, Government Relations Roundtable, CEO roundtables and online educational programs.

### CERTIFICATION PROGRAMS

ACCE's globally-recognized certification for chamber of commerce professionals, the Certified Chamber Executive designation (CCE), signifies the highest quality of performance in chamber management. Our Certificate in Chamber Management provides flexible, on-demand education in essential subject areas.

### POWERFUL PEER NETWORKS

From exclusive CEO peer groups to learning communities for different job functions, ACCE's peer networks are the premiere place to engage with others to share innovative best practices, ask questions and generate new ideas.

### RESEARCH & BENCHMARKING

Gauge your chamber's performance against the industry by using ACCE's Dynamic Chamber Benchmarking tool, which includes visual reports on membership, events, personnel, finances and compensation. ACCE's online Member Knowledge Exchange is the industry's largest library of sample documents, including job descriptions, strategic plans, policy statements and more. Our Pulse Surveys highlight industry trends, and our research team is just a click away ([AskACCE@acce.org](mailto:AskACCE@acce.org)) to answer questions and provide custom research.

### THOUGHT LEADERSHIP

ACCE captures the industry's most innovative thinking to help you plan for a more effective future. From the Horizon Initiative to *Chamber Executive* magazine, online resources and executive education programs, ACCE will report on the major trends impacting our industry and help your chamber adapt and evolve.

### COST-SAVING RETIREMENT & INSURANCE BENEFITS

ACCE, in partnership with market leaders in the finance and insurance industries, offers high-quality and affordable employer-sponsored retirement and insurance plans, including a 401(k)/Profit Sharing Plan, a 457(b)/Deferred Compensation Plan, and a set of group insurance plans.
