Eligible Dependents: Any dependent of an Enrollee of Client who meets the eligibility criteria established by Client, if such dependent coverage is provided.

HOW TO USE THIS PLAN

VSP provides Plan Benefits to Covered Persons based on the level of coverage purchased by the Client. Refer to the Schedule of Benefits and Additional Benefit Rider (if applicable) for specific Plan Benefits.

1. Contact VSP to obtain a list of participating providers, and/or to view available benefits, (see below for contact information).

2. Contact a VSP Preferred Provider's office to schedule an appointment and indicate that Covered Person is a VSP member. Should Covered Persons fail to identify themselves as VSP members, Plan Benefits shall be limited to those of an Open Access Provider, if such Plan Benefits are available.

3. Once the appointment is made, the VSP Preferred Provider will obtain benefit verification from VSP. The VSP Preferred Provider will bill VSP directly and the Covered Person is responsible for payment of any applicable Copayments, non-covered services or materials, or amounts which exceed plan allowances, and annual maximum benefits.

4. If the Policy includes Plan Benefits for Open Access Providers, Covered Person may be responsible for paying for all services and/or materials in full and submitting a claim to VSP. If an Open Access Provider agrees to submit a claim to VSP on behalf of Covered Person, VSP will reimburse the Provider directly if the claim includes a valid Assignment of Benefits. All reimbursement will be in accordance with the Open Access Provider fee schedule, less any applicable Copayment. Obtaining services from an Open Access Provider will typically result in higher out of pocket expenses for Covered Persons. All claims must be submitted to VSP within [365] calendar days from the date services are rendered and/or materials provided. Claims received by VSP after [365] days will be denied unless prohibited by applicable state or federal law.

EXCLUSIONS AND LIMITATIONS OF BENEFITS

This Plan is designed to cover visual needs rather than cosmetic materials.

Some vision care services and/or materials are not covered under this Plan and certain other limitations may apply. Please refer to the EXCLUSIONS AND LIMITATIONS OF BENEFITS section of the attached Schedule of Benefits and/or Additional Benefit Rider (when purchased by Client) for details.

COORDINATION OF BENEFITS

Covered Persons who are covered under two or more insurance plans that include vision care benefits may be eligible for Coordination of Benefits ("COB"). VSP will combine other insurance plans' claim payments or reimbursements, if any, with benefits available under Covered Person's VSP Plan, which may reduce or eliminate Covered Person's out-of-pocket expense. Covered Persons covered under more than one VSP Plan may also be able to take advantage of COB. In order to process claims involving COB, VSP may need to share personal information regarding Covered Persons with other parties (such as another insurance company). When this is necessary, VSP will only share such information with those persons or organizations having a legitimate interest in that information and only where such sharing is not prohibited by law.

URGENT VISION CARE

Services for conditions of a medical nature are covered by VSP only under specific supplemental eye care Plans purchased by Client. If Client purchased one of these plans, such coverage will be evidenced in an Additional Benefit Rider. When vision care is necessary for Urgent Conditions, Covered Persons with a supplemental eye care plan may obtain Plan Benefits by contacting a VSP Preferred Provider or Open Access Provider. No prior approval from VSP is required for the Covered Person to obtain vision care for Urgent Conditions of a medical nature. If Client has not purchased one of these plans, Covered Persons are not covered by VSP for medical services and should contact a physician under Covered Persons' medical insurance plan for care.

HOLD HARMLESS

Covered Persons shall be held harmless for any sums owed by VSP to the VSP Preferred Provider, other than those sums not covered by the Plan.

COMPLAINTS AND GRIEVANCES

Covered Persons have the right to expect quality care from VSP Preferred Providers. More information is available under "Patient's Rights and Responsibilities" on VSP's web site at www.vsp.com. Complaints and grievances are disagreements regarding access to care, quality of care, treatment or service. Covered Persons may submit any complaints and/or grievances, including appeals, in writing to VSP at 3333 Quality Drive, Rancho Cordova, CA 95670-7985 or verbally by calling VSP's Customer Care Division at 1-800-877-7195. VSP will resolve the complaint or grievance within thirty (30) calendar days after receipt, unless special circumstances require an extension of time. In that case, resolution shall be achieved as soon as possible, but not later than one hundred twenty (120) calendar days after VSP's receipt of the complaint or grievance. If VSP determines that resolution cannot be achieved within thirty (30) days, VSP will notify the Covered Person of the expected resolution date. Upon final resolution VSP will notify the Covered Person of the outcome in writing.

NOTICE: If you have any questions regarding an appeal or grievance concerning the health care services that you have been provided that have not been satisfactorily addressed by your plan, you may contact the Office of the Managed Care Ombudsman for assistance at P.O. Box 1157, Richmond, Virginia 23218, (877)310-6560, ombudsman@scc.virginia.gov.

CLAIM PAYMENTS AND DENIALS

Initial Determination: VSP will pay or deny claims within thirty (30) calendar days of receipt. In the event that a claim cannot be resolved within the time indicated VSP may, if necessary, extend the time for decision by no more than fifteen (15) calendar days.

Claim Denial Appeals: If a claim is denied in whole or in part, under the terms of the Policy, Covered Person or Covered Person's authorized representative may submit a request for a full review of the denial. Covered Person may designate any person, including their provider, as their authorized representative. References in this section to "Covered Person" include Covered Person's authorized representative, where applicable.

Initial Appeal: The request for review must be made within one hundred eighty (180) calendar days following denial of a claim and should contain sufficient information to identify the claim and the Covered Person affected by the denial. The Covered Person may review, during normal working hours, any documents held by VSP pertinent to the denial. The Covered Person may also submit written comments or supporting documentation concerning the claim to assist in VSP's review. VSP's response to the initial appeal, including specific reasons for the decision, shall be provided and communicated to the Covered Person within thirty (30) calendar days after receipt of a request for an appeal from the Covered Person.

Second Level Appeal: If Covered Person disagrees with the response to the initial appeal of the denied claim, Covered Person has the right to a second level appeal. Within sixty (60) calendar days after receipt of VSP's response to the initial appeal, Covered Person may submit a second appeal to VSP along with any pertinent documentation. VSP shall communicate its final determination to Covered Person in compliance with all applicable state and federal laws and regulations and shall include the specific reasons for the determination.

Other Remedies: When Covered Person has completed the appeals stated herein, additional voluntary alternative dispute resolution options may be available, including mediation or arbitration. Covered Person may contact the U. S. Department of Labor or the State insurance regulatory agency for details. Additionally, under the provisions of ERISA (Section 502(a) (1) (B) [29 U.S.C. 1132(a) (1) (B)], Covered Person has the right to bring a civil action when all available levels of reviews, including the appeal process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

Time of Action: No action in law or in equity shall be brought to recover on the Policy prior to the Covered Person exhausting his/her grievance rights under the Policy and/or prior to the expiration of sixty (60) days after the claim and any applicable documentation have been filed with VSP. No such action shall be brought after the expiration of any applicable statute of limitations, in accordance with the terms of the Policy.

CONTINUATION OF BENEFITS FOR ENROLLEES

There are 2 options available to Client that provide for the continuation of benefits for Enrollees:

Option 1: If an Enrollee's coverage under this Policy ceases because of the termination of the Enrollee's eligibility for coverage, prior to that person becoming eligible for Medicare or Medicaid benefits, unless such termination is due to termination of the this Policy under circumstances in which the Enrollee is insurable under other replacement group coverage without waiting periods and preexisting conditions, VSP will issue, without evidence of insurability, an individual insurance policy in the event VSP offers such policy. If Client elects option 1, the following requirements apply:

- (a) The application for the individual policy shall be made, and the first premium paid to the VSP within thirty-one days after issuance of the written notice, but in no event beyond the 60 day period following the date of the termination of the person's eligibility;
- (b) The premium on the individual policy shall be at VSP's then customary rate applicable: to such policies and to the class of risk to which the person then belongs.
- (c) The individual policy will not result in over-insurance on the basis of the insurer's underwriting standards at the time of issue;
- (d) The benefits under the individual policy shall not duplicate any benefits paid for the same injury or same sickness under the prior policy;
- (e) The policy shall extend coverage to the same family members that were insured under this Policy; and
- (f) Coverage under this option shall be effected in such a way as to result in continuous coverage from the date of the Enrollee's termination of eligibility for such insured if requested and paid for by the Enrollee.

Option 2: If a Enrollee's coverage under this Policy ceases because of the termination of the Enrollee's eligibility for coverage, prior to that person becoming eligible for Medicare or Medicaid benefits Enrollee shall continue his or her present coverage under this Policy for a period of twelve (12) months immediately following the date of the termination of the person's eligibility, without evidence of insurability. (Option 2 is not available if Client is required by federal law to provide continuation of coverage pursuant to COBRA.) If Client elects option 2, the following requirements apply:

- (a) The application and payment for the extended coverage is made to Client within 31 days after issuance of written notice, but in no event beyond the 60 day period following the date of the termination of Enrollee's eligibility;
- (b) Each premium for such extended coverage is timely paid to the Client on a monthly basis during the twelve-month period;
- (c) The premium for continuing the group coverage shall be at VSP's current rate applicable to the group policy plus any applicable administrative fee not to exceed two percent of the current rate; and
- (d) Continuation shall only be available to an employee or member who has been continuously insured under the group policy during the entire three months' period immediately preceding termination of eligibility.
- (e) The Client shall provide each employee or other Enrollee under such a policy written notice of the availability of the option chosen and the procedures and timeframes for obtaining continuation or conversion of the group policy. Such notice shall be provided within 14 days of Client's knowledge of the employee's or other Enrollee's loss of eligibility under the policy.
